the $2 a day challenge

Sponsorship form

Dear Generous Sponsor!

This week I am living on only $2 worth of food per day to highlight the cause of the 2.7 billion people in the world that live on less than $2 a day (about £1.30). This poverty prevents billions of people from access to proper food, medical care, education, and shelter. I will be lobbying the government to provide aid it has already promised to help the world's poor, but also want you to sponsor me to raise money directly, for my chosen charity:

_____

Anything you can give will help, Thank you,
